About Us

Since 1995, TFC/LF has served as Larimer County's only early childhood and family resource centers. Now one of 32 family resource centers in the state, TFC/LF provides high quality early childhood education (ECE) to more than 75 children whose parents work and attend school, extensive crisis and family strengthening services as well as leadership and policy opportunities to more than 400 families annually.

TFC/LF is a trusted and safe place for Latinx families and is looked to by the Fort Collins and surrounding community as a leader in racial equity work.

Because of the extensive needs of the children due to a myriad of factors, TFC/LF has been significantly investing in quality improvements including educational, social and emotional support interventions for children and staff.

“Thank you each and every one for the growth opportunities you give us, as parents as well as part of the community, for every learning opportunity and for helping us with activities for us and our children, thank you Family Center for being part of us as a community, we are all FAMILY.”

The Voice of Our Families

“Mi Voz encourages me to take action because they give us the tools and information that we need to succeed.”

“I love El Nidito. It was recommended to me and it was the best decision I've made. The staff is great, and I've seen my daughter learn so much, and she feels so happy and excited to attend.”

Our Programs

EL NIDITO

TFC/LF's state-licensed, Colorado Shines level 4 rated, early care and education program, providing a bilingual experience for up to 75 children and families every day.

MI VOZ

A leadership development program funded by the Colorado Department of Public Health and Environment's Office of Health Equity, Mi Voz utilizes community development strategies to advocate for the protection and preservation of mobile home parks in Larimer County.

CULTURALLY RESPONSIVE FAMILY SUPPORT PROGRAMS

Bilingual home and community-based services utilizing a strengths-based family-centered approach and education opportunities to support the whole family. Services include parent education, car seat safety classes, Mental Health First Aid and connection to community resources.
